Welcoming People from Around the World

The Centre for Newcomers provides services in settlement, employment and English as a second language for newcomers to Canada.

Position Title: Youth Career Practitioner
Youth 1·2·1 Program
Employment Services
Posting No. 10-19

Position Summary

The Youth Career Practitioner works with immigrant youth on career planning and job search on a one to one and group basis. This position reports to the Coordinator of the Youth Possibilities Program in Employment Services.

It is a temporary full time contract position which runs to Dec. 31, 2010. Evening work may be required on occasion.

Responsibilities

- Conducting outreach sessions in the community
- Facilitating engaging workshops on job search and job preparation skills for groups of youth
- Using case management techniques and maintaining accurate records on the data base

Qualifications

- Career Development certificate preferred
- University Degree in Social Work, Psychology or a related discipline
- Second language an asset
- Experience in employment counseling, career planning and assessment of youth
- Experience working with at-risk youth in a cross cultural environment
- Ability to creatively engage youth one-on-one and in a group
- Ability to design materials and strategize within a team
- Dynamic, self-motivated role model and mentor

To apply, please email your resume [quoting the posting number 10-19](mailto:jobs@centrefornewcomers.ca) to
