

OCCUPATIONAL LANGUAGE ENHANCEMENT (OLE)

The Occupational Language Enhancement (OLE) Program offers a two-week workshop to build the occupational language proficiency and employability skills of clients who want to enhance their occupational vocabularies in warehouse, construction, housekeeping, food, and customer services. Participants get help with job placement and employer connections.

Services:

- One-on-one career and employment assistance
- Two-week workshop
- Job application support

Eligibility:

- At least 18 years of age
- An Alberta resident and looking for work
- A Canadian citizen, permanent resident, or legally entitled to work in Canada
- Has difficulty communicating in English or with Canadian Language Benchmark (CLB)

Funded by: Seniors, Community and Social Services (SCSS)
