

# CENTRE FOR NEWCOMER'S DAYCARE

Our licensed community daycare serves children from 12 months to 5 years old. A dedicated and professional Early Childhood Educators staff team focuses on early childhood development, ensuring a balance of fun activities, learning opportunities, and social interaction. With a safe facility, nutritious meals, and a structured curriculum, we help children build confidence, creativity, and essential life skills. Enroll today and give your child the best start in a caring and supportive environment!

At CFN daycare, we believe in nurturing young minds through engaging, hands-on activities that inspire curiosity, creativity, and confidence. Our program is designed to provide a well-rounded early childhood experience, focusing on key areas that set children up for future success, such as:

## **STEM Exploration:**

We introduce children to Science, Technology, Engineering, and Math (STEM) through various exciting experiments and interactive activities. Whether building simple machines, exploring nature, or experimenting with basic Chemistry, children develop problem-solving skills, critical thinking, and a love for discovery.

## **Physical Development & Active Play:**

Movement is a vital part of the child's growth! Our daily activities include outdoor play, structured movement games, and age-appropriate exercises to improve coordination, strength, and flexibility. From obstacle courses to dance and yoga, we encourage healthy habits and teamwork in a fun, energetic way.

## **Kindergarten Readiness:**

Preparing for the next big step? Our curriculum is designed to help children develop essential early literacy, math, and social skills. Through storytelling, hands-on learning stations, and guided activities, we ensure children can recognize letters, numbers, shapes, and colours while building communication and self-regulation skills.

**Celebrate Diversity:**

At CFN daycare, we embrace and celebrate the diverse backgrounds, cultures, and traditions of our children, families, and community. Our inclusive approach ensures that every child feels valued, respected, and connected to the world around them.
