

DRIVING SKILLS FOR NEWCOMERS (DSN)

The program provides driving training and job search support to newcomers who are actively seeking employment and require driving skills to enhance employment prospect.

Target Group and Eligibility:

- Unemployed or underemployed new immigrants without Class 5 driver's licence and actively looking for work that requires a driving licence.
- At least 18 years of age
- Residing in Alberta
- A Canadian citizen, permanent resident, or legally entitled to work or train in Canada (as defined by Immigration Refugee and Citizenship Canada).
- Possess adequate English skills (CLB 5 and up)

The program offers:

- in-car and classroom driving training for newcomers whose target employment requires a driver's licence. Services will help participants gain the necessary knowledge, skills, and tools to successfully earn a Class 5 driver's licence.
- Job search workshops and one-on-one job application coaching
